

ISIORT
 INTERNATIONAL SOCIETY of
 INTRAOPERATIVE RADIATION THERAPY

11th ISIORT Conference
 November 6th - 7th, 2020 Salzburg

**Preliminary
 Programme**

www.isiort2020.at

WELCOME ADDRESS

ATTENTION +++

In the light of the latest developments of the COVID-19 Situation in Europe and as a health and safety precaution for our exhibitors, visitors and partners we have decided to postpone this year's ISiORT Conference, which will now take place from
November 6 – 7, 2020.

Dear colleagues,

As a consequence of the rapidly evolving COVID situation, the global uncertainty about traveling and accommodation is so high that hardly anyone dares to book even if the event is still 3 months ahead.

Therefore, we opted for a generous deferral of the upcoming 11th ISiORT Conference which will now take place from November 6th – 7th, 2020 in Salzburg, Austria.

Following up on the very successful Meeting in Mannheim in 2018, we are convinced that this will guarantee to gather leaders in the field of intraoperative radiotherapy in order to deliver an exciting scientific programme.

ISiORT can only become a successful scientific event thanks to the multitude of contributions coming via abstract submissions. The Faculty is committed to offering large visibility to promising abstracts. You are, therefore, strongly encouraged to submit an abstract by **September 15th, 2020** and become part of this prestigious event.

Please take advantage that both, registration and abstract submission remain open!

Due to the great acceptance in 2018, the ISiORT Conference again will be accompanied by two User Meetings, organized by **IntraOP Medical** (November, 5th) and **ILEXIUM** (November 7th–8th), respectively.

The Welcome Evening of the Conference will take place on Friday evening at the famous Salzburg Residence, and we strongly encourage you not to miss it.

We hope that shifting to autumn will permit the attendance of many participants from all over the world at this important event, once the present pandemia has calmed down.

Felix Sedlmayer

President ISiORT

PROGRAM OVERVIEW

The ISIORT Conference will be accompanied by two User Meetings, organized by IntraOP Medical (November 5th) and ILEXIUM (Nov 7th/8th), respectively.

Friday, Nov. 6th

08:45 Opening

Update on IORT registries

Update from prospective trials:

Breast Cancer

TARGET A/C/E, ELIOT, HIOB, POLO,

Boost IOERT

Open Forum Discussion:

IORT for BC outside clinical trials

Proffered papers

Breast cancer

12.00 - 13.00 Lunch Break

ISIORT Board Meeting

Keynote lectures

New aspects on IORT radiobiology ?

FLASH-IORT

IORT + Immunotherapy

Image- Guided IORT

problem resolved?

IORT in pancreatic cancer

any new evidence?

IORT for rectal cancer

when and how?

Proffered papers

17.15 General Assembly

Saturday, Nov. 7th

08:00 Opening

Sarcoma treatment as
interdisciplinary task

Integration of IORT as SOC ?

Proffered papers

Physics, Biology, Technology

Physics, Biology, Technology
Which assets do we really need?

12.00 - 13.00 Lunch Break

Update of case series and clinical trials

H/N, Prostate, Brain, Spine, Pancreas, STS...

Debate:

IORT trials to be performed?

Keynote Lecture

TARGET-A Study

15.15 Closing remarks

16:00

&

Sunday, 8:30 - 12:30

ILEXIUM 2020

Paracelsus Medical University

Strubergasse 21, Salzburg
